

North Carolina eWIC Training

NUTRITION SERVICES BRANCH

NC eWIC Pilot will begin in October 2017 and Statewide rollout will begin in January 2018. Review of all training materials, webinars and documents will be required for local agency staff. WIC Directors should view all training webinars including vendor training. Please keep track of progress using the checklist below. Once completed, please send signed checklist to your Regional Nutrition Consultant.

Please complete by 2-4 weeks prior to your agency's rollout week to ensure a successful rollout.

e-mail: NCeWICproject@dhhs.nc.gov with any clinic related questions.

e-mail: NCWICVendorQuestions@dhhs.nc.gov with any vendor related questions.
