

## FY13 Agreement Addenda Section III: WIC Deliverable #4 - Promote Healthy Weights

### 4A. b. Percentage of children two to four years of age who received services from the health department and who, according to their Body Mass Index (BMI) for age and gender were overweight (BMI at or above the 85th Percentile but less than the 95th Percentile)

Numerator (Num) equals the number of children two to four years of age receiving services at local health department with BMI percentile at or greater than 85th percentile (Source: NC Nutrition and Physical Activity Surveillance System).

Denominator (Den) equals the number of children two to four years of age receiving services at local health department with BMI percentiles (Source: North Carolina-Nutrition and Physical Activity Surveillance System).
